

2. Create a flowchart for the game snakes and ladders.

- How to play:
- Each player puts their counter on the space that says 'start here'.
 - Take it in turns to roll the dice. Move your counter forward the number of spaces shown on the dice.
 - If your counter lands at the bottom of a ladder, you can move up to the top of the ladder.
 - If your counter lands on the head of a snake, you must slide down to the bottom of the snake.
 - The first player to get to the space that says 'home' is the winner.
- Have fun!
