

2. Create a flowchart for the game snakes and ladders.

How to play:

- Each player puts their counter on the space that says 'start here'.
- Take it in turns to roll the dice. Move your counter forward the number of spaces shown on the dice.
- If your counter lands at the bottom of a ladder, you can move up to the top of the ladder.
- If your counter lands on the head of a snake, you must slide down to the bottom of the snake.
- The first player to get to the space that says 'home' is the winner.

Have fun!
